CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Ag Elections Will Be Held In August

All farmers of Palm Beach County are reminded that the 1962 annual Agricultural Stabilization and Conservation Community elections will be held in August. These committees administer the Federal Farm Programs in the County. The three communities are as follows: Coastal—the area east of Twenty-mile Bend, Belle Glade—the area west of Twenty-mile Bend to the Hendry County line, south to the Broward County line and north to Pelican Bay, Pahokee—the area north of Connor's Highway to the Martin County line and west to Lake Okechobee.

Petitions signed by ten or more eligible voters nominating persons for membership on the community committee must be received at the ASCS Office, 531 North Military Trail, West Palm Beach, Florida not later than August 10, 1962. If the persons nominated by petition are willing to serve and are eligible, their names will be placed on the ballot. If the person(s) nominated by petition is found to be ineligible, he will be notified, and may appeal to the county committee by August 15th.

The Community Committee(s) may make additional nominations as are required by law to complete the slate of nominees.

Thurmond Knight Director Loan Group

Thurmond W. Knight, Riviera Beach realtor and Chairman of the Palm Beach County School Board, has been elected as a Director of Riviera Securities and Loan Corporation during a recent meeting held at the firm's offices.

Knight was an organizer of the Everglades Growers Cooperative, Pahokee, and the Glades Livestock Association, Belle Glade. He is active in the Northwest Baptist Church, and a member of the Rotary, Mason, Shriner and Elks Clubs and resides in Lake Park with his wife, Frances and four children.

Robert Stacy Wins Star Salesman Trip

Robert Stacy, local service and sales agent for the Farm Bureau Insurance Companies, has been selected as an All-Star Salesman for his excellent record in life insurance sales this year.

Mr. and Mrs. Stacy have been awarded an expense-paid trip to Biloxi, Mississippi for a vacation and business meeting at a beach resort. Mr. Stacy is one of thirty Florida agents to receive this honor and will receive special recognition at the meeting for his performance.

BAKERS TO LEJUNE

Warrant Officer and Mrs. Robert C. Baker and three daughters, Debbie, Leslie and Teri who were the house guests of his parents, Mr. and Mrs. W. A. Baker and his brother-in-law and sister, Mr. and Mrs. David Unwin for two weeks, have gone to Camp Lejeune, N. C., where he will be stationed.

Here Are The Questions And Answers On New Hospital

What will be the economic effect of a new hospital on the Belle Glade-Pahokee area? How will a new facility affect the practice of medicine in the communities? What basic elements will a new hospital contain?

These questions are answered by Tracy Hare, hospital consultant to the Combined Board of the Northwestern and the Southwestern Palm Beach County Public Hospital Boards in a preliminary report analyzing the area's medical problem.

In a previous article, Hare established the need for a general hospital of sufficient quality and quantity to serve the needs of the area. He cited the need for a modern hospital of approximately 100 normal beds with an immediate complement of 120-135 beds in bedrooms designed for patient occupancy. The care of auxiliary services, he said, should be complete and should be expandable to serve at least 175-200 with a minimum of disturbance to the continued operation of the hospital.

In the report states, "A 100-bed hospital operating at 71 per cent capacity, will employ approximately 190 persons and will partially support 22 physicians. The payroll of approximately \$500,000, will be the direct major financial support of about 475 persons (the employee and 1.5 other persons). At the present time, the two existing hospitals now serving the area have a combined payroll of approximately \$300,000 and 110 employees."

A new hospital will have an even greater economic effect as purchases from local establishments will increase in the form of goods, services, and housing, the report continues.

"A higher percentage of the population will be hospitalized as those persons demanding better facilities and treatment who are willing to pay for good hospitalization will break the pattern of going to larger hospitals outside the area. Hospital care will cost the patient more, so will hospital expenses increase. Charges will be adjusted so the spread between actual expenses will be greater. Absenteeism will be reduced and hospital stay will be shorter.

The practice of medicine will be effected by a new hospital, that is certain. In his report, Hare lists several eventualities should a new facility be built.

"1. A combined hospital will increase travel time but as a larger hospital will have more competent personnel, visits in time and quantity may be reduced.

"2. There will be a period of adjustment to all local physicians now having the hospital virtually at his doorstep. Incoming physicians will have no difficulty."

"3. The medical community will become a closer knit group. Consultations between physicians, formal and informal, will increase.

"4. More physicians will be attracted to the area.

"5. Physicians will send more patients to the hospital.

"6. The physician will have more leisure time, consequently more time for professional activities other than practice.

"7. There will be a tendency for group practice.

"8. Home deliveries, particularly by midwives, will decrease."

What basic elements should a combined hospital have? Hare has set forth the following facilities which could be included in a new hospital plan for the combined districts.

1. Administration: lobby with public toilets, administration offices, information and switchboard social service offices, admission offices, insurance office, sanctuary or retiring room, business office and cashier.

2. Diagnostic and Treatment: Clinical laboratory including chemistry, urinalysis, hematology and serology, bacteriology, specimen collecting, blood bank, isotope depository and clean up, records and business office.

3. Pathology: histology, morgue and autopsy and specimen museum.

4. Basal Metabolism and or EKG.

5. Physical Therapy: electrotherapy, hydrotherapy and exercise area.

6. Radiology: initial two diagnostic rooms, dark room, medical reading rooms, barium kitchen, dressing and toilets.

7. Pharmacy: dispensing, modified manufacturing and storage.

8. Out-patient department: three clinic exam rooms, waiting room, physician's office, emergency physician's station and control.

9. Patients' bedrooms - General: 35-48 bed nursing units; 10 to 14 in single rooms with toilet and shower, 11 to 16 in 2-bed rooms with toilet and shower, 12 to 16 in 2-bed rooms with semi-private toilet and 2 to 4 in special bedrooms for isolation and/or psychiatric.

10. Patients' bedrooms—Maternity: 16 to 28-bed nursing unit, 6 to 8 in single bedrooms with toilet and shower, 4 to 8 in 2-bed rooms with toilet and shower and 6 to 12 in 2-bed rooms with semi-private toilet.

11. Nursery: 3 to 8 bassinets nurseries, 1 to 2 bed isolation nursery, formula room, doctor's examining room and nurses work rooms.

12. Maternity nursing station: nurse's control desk, doctor's charting rooms, nurses and doctors' toilets, soiled utility rooms, special post-partum bath room, soiled linen room, clean linen room, janitor's closet, nourishment station, exam room, drinking fountain, central nurse's supplies and medicine station.

13. General Nursing Station: nurse's control station, doctor's charting, nurse's and doctor's toilets, soiled utility room, central nurse's supply medicine station, bathroom with sitz bath, soiled linen room, clean linen room and janitor's closet, exam room, drinking fountain and nourishment station.

14. Surgery: two operating rooms, sub utility rooms, sub util-

ity, scrub area, tray set up and sterile supply, instrument storage, anesthesia storage and clean up room, clean up room, equipment storage, janitor's closet nurse's control station, recovery rooms for 10 patients and isolation recovery room.

15. Auxiliary rooms: fracture room, cystoscopy, dental surgery, and surgical emergency.

16. Lounges: doctor's lounge with separate bedroom, nurses' lounge, toilets, lockers for 16 doctors, lockers for 8 nurses, and dictating area for doctors.

17. Services: food, food preparation and kitchen, storage, refrigeration and dry, can washing and garbage refrigeration or disposal, cafeteria, coffee shoppe, special meeting room, laundry, central housekeeping supplies, heating equipment, air conditioning, central oxygen system, and general storage.

In reviewing the needed facilities, the report notes, "it is readily discernible that a small hospital of 50 beds cannot support such services. Even a 100 bed hospital at 80 per cent capacity would not fully utilize the essential services and the building would not reach full utilization until the 150-bed at 80 per cent capacity stage."

Stewarts Will Live In Hooks Apartment

Rev. and Mrs. Charles D. Stewart left this week for a vacation to be spent in Georgia and Tennessee with their relatives. Rev. Stewart is completing his pastorate at the Canal Point Baptist Church and has been granted a six weeks vacation by the congregation.

On Sept. 15, Rev. Stewart is retiring from the active ministry. He and Mrs. Stewart will continue to live in Canal Point where Mrs. Stewart will be a member of the Canal Point school faculty again next year. They will move to Apartment No. 1 in the new Hooks apartments upon their return from their vacation.

Rotarians Hear Ed Jensen Speak

E. A. Jensen, Pahokee postmaster, was guest speaker at the luncheon meeting of the Pahokee Rotary Club, last Thursday, with the president, Dr. E. C. Johnson, presiding. Mr. Jensen, recently named to be in charge of the publicity for this area for the homecoming celebration planned for the Belle Glade National Guard Unit, spoke regarding this event which will be August 11, at Belle Glade Armory. He also presented a documentary film, furnished by the Department of the Army, showing why these men were called into service and what they accomplished.

Visitors were C. L. Todd, West Palm Beach; Walter Hooker, M. K. Wright and Dr. Howard Hill, all of Belle Glade; Mao Len Lia of Taipei, Formosa; Robert Lampi, Jr. and Carl Grassel.

Funeral Services Mrs. E. O. Murphy

Services for Mrs. Maude Murphy, 71, of 508 East 46th St., Hialeah, who passed away Sunday at her home following an extended illness, were held Tuesday afternoon at Van Orsdel Funeral Home in Miami. Rev. Lee W. Davidson, pastor of the North Hialeah Methodist Church, officiated.

Born in Mississippi, Mrs. Murphy was the daughter of the late Rev. and Mrs. W. A. Tiffin. A former resident of Pahokee, she and her family moved to Dade County 18 years ago.

Survivors include her husband, E. O. Murphy, Hialeah; two sons, Ellis O. Murphy of Pahokee and O. M. (Mac) Murphy of Indian town; four daughters, Mrs. Louise Kennen, Greenacres; Mrs. Lucille Barger, Mrs. Iris Bernhardt and Mrs. Vena Mae Pinder, all of Hialeah; two sisters, Mrs. R. J. Schroder of Pahokee and Mrs. Charles F. McQuaig of Texas City, Texas; sixteen grandchildren and eight great grandchildren.

Interment was at Miami, with Van Orsdel Funeral Home in charge of arrangements.

Pahokee Lions Hear Ed Jensen

Guest speaker at the luncheon meeting, Tuesday, of the Pahokee Lion's Club, was E. A. Jensen, who is in charge of the publicity for the homecoming celebration for the Belle Glade National Guard Unit.

Introduced by program chairman, Bill Benton, Mr. Jensen showed a documentary film released by the Department of the Army explaining the reasons for the call of the National Guard Units to duty and what they accomplished. The film brought out the fact that President Kennedy called out the Guard Units, last fall, to release army career men for duty in Germany during the Berlin crisis. Mr. Jensen announced that the homecoming celebration for the returning Belle Glade National Guard Unit, will be held at the Belle Glade Armory on Saturday, Aug. 11, from 5 to 7 p. m. He urged all members to attend. The celebration will feature a free barbecue and a brief "welcome home" address.

Dr. R. C. Lane, presided over the business session in the absence of the president, Kyle Scott. The meeting next week, was changed tentatively from Tuesday noon to Wednesday evening with wives of members as invited guests. Tracy B. Hare, a hospital consultant, will be the guest speaker.

Billy Ray Mosley was introduced by Lion's Deputy District Governor, H. Bunn McCall of Belle Glade as the new Zone Chairman, and was presented with a pin.

Other guests were Pelson Morris, Belle Glade; Jack Nash and Bill Begor of West Palm Beach; Ronnie Yates of Cincinnati, Ohio and Hunter Latham.

Mr. and Mrs. R. O. Lampi, their daughter, Miss Sandra, and son, Robert, Jr., left Friday afternoon to visit his mother, Mrs. Mary Lampi, at Eagle River, Mich., for two weeks.

Salt Water Fish In State Research

ST. PETERSBURG — Fish caught in salt waters of Florida are contributing data for scientific research in Maine. All this has developed as a fringe benefit of the Schlitz Florida Fishing Derby through the cooperation of the Florida State Board of Conservation.

Florida Fishing Derby officials were asked for pieces of fish flesh containing the small plastic tags inserted in fish that turn out to be prize-winners. The request came from the Spott-Webb Memorial Hospital of Hartland, Maine, which is working with the University of Maine on experiments to explore the effect which plastics have on animal and fish tissue.

Since the tagging of salt water fish for the derby is done by the Conservation Department, and since the fish captured in the derby are sent to the Marine Laboratory in St. Petersburg for research purposes, the request was referred to them. The laboratory gladly complied.

The primary benefit in research from the Schlitz fishing derby has been to the two state agencies in charge of fish conservation—management—the Florida State Board of Conservation—and the Florida Game and Fresh Water Fish Commission. Research director of the Conservation Board, Robert M. Angie, says that data on fish growth, habits and migration obtained as a result of the 1961 Schlitz derby "made it possible for us to achieve in one year what it normally would have taken many years."

"Today we need a nation of Minute Men . . . citizens who regard the preservation of freedom as a basic purpose of their daily life . . ."

—JOHN FITZGERALD KENNEDY

10 days after his inauguration
as the 35th President of the
United States.

Twenty years ago, in the dark, uneasy days before Pearl Harbor, the Minute Man of Concord, timeless symbol of our Nation's determination to defend its freedom, emerged as the emblem of the U. S. Savings Bonds Program. When war came, the Minute Man became the rallying force behind the huge and overwhelmingly successful effort to back our fighting men with War Bonds.

In this, the 20th anniversary year of Savings Bonds, the Minute Man of Concord calls all Americans to an unremitting effort to help preserve our peace and freedom, threatened by forces more powerful and resourceful than those we faced in 1941. Though this effort will take many forms, one way open to all is the continued investment in Shares in America, U. S. Savings Bonds, by "citizens who regard the preservation of freedom as a basic purpose of their daily life."

For 20 years America's newspapers have published Savings Bonds ads at no cost to the Government. The Treasury Dept. is grateful to The Advertising Council and this newspaper for their patriotic support.

Christian Science Group Of Canal Point

Mankind's need for prayer based on heartfelt gratitude to God will be brought out at Christian Science church services Sunday.

Highlighting the Lesson-Sermon on the subject of "Love" is the Golden Text from the Bible (I John 4): "God is love; and he that dwelleth in love dwelleth in God, and God in him."

A citation to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states (p. 4): "What we most need is the prayer of fervent desire for growth in grace, expressed in patience, meekness, love, and good deeds."

4 Common Causes Accidents Named

TALLAHASSEE — The Florida Highway Patrol listed four of the most common causes of accidents today and said that either or all might easily be averted by sensible driving.

Following too closely, speeding, failure to yield right-of-way and improper turning were listed as the chief reasons for accidents which result in millions of dollars worth of damages in addition to the loss of life and limb.

Although the patrol is constantly on the alert to stop such violations, Comdr. H. N. Kirkman said they are the most frequently disobeyed laws and regulations of our state.

"The above mentioned violations may not seem important to motorists but they are the most commonly ignored regulations of safety which drivers seldom pay attention to until after the wreck—if they are alive," said Kirkman.

State troopers are on the lookout for such violators and the patrol says they will be dealt with in order to hold the line on death and injury.

New Beauty Queen Named At Sarasota

SARASOTA—Florida has a new beauty queen. "Elegant and sophisticated" Gloria Brody of Jacksonville was crowned Miss Florida by Sherry Grimes, last year's reigning beauty.

Gloria is a weight lifter. This exercise, plus ballet training, has been credited to developing her near-perfect measurements.

Besides a trip to Atlantic City for the Miss America contest, Gloria will probably travel to Las Vegas for the International Travel Council convention. This will come as part of a \$1,000 contract for personal appearances presented by the Florida Development Commission.

A graduate of Ribault High School of Jacksonville, Gloria will also receive a college scholarship from the Pepsi Cola Co. plus a wardrobe and other prizes.

Alabama Sends More Visitors Than Any State

TALLAHASSEE—Alabama led all the states in the number of visitors to Florida during 1961, the Development Commission said today in its complete tourism report for the year.

The tourism study, released in printed form, said that of the record-setting 12,840,230 tourists who visited Florida in 1961, 12 percent were from Alabama. Georgia was second with 11 percent and New York was third with 10 percent. Other leading states were Illinois with eight per cent, New Jersey with seven per cent and Ohio and Pennsylvania with six per cent each.

Wendell Jarrard, Chairman-Director of the Commission, said copies of the report would be sent this week to all agencies cooperating with the state's tourist promotion program.

The report said Alabama residents "and visitors from Georgia stay shorter periods of time and come oftener than is true for residents of any other state, many coming as often as 10 or 12 times a year for stays ranging from two days to two weeks."

Of the total number of visitors, 10,662,523 or 83 per cent came to the state by automobile. Eleven per cent entered the state by plane, four per cent by train and two per cent by bus.

Among the automobile tourists, 1,216,657 gave Miami as their destination, followed by 902,049 who said Daytona Beach, and 594,799 who named St. Petersburg.

The study placed total tourist expenditures at \$2,043,266,000 for the year. Major spending items included 23 per cent for lodging, 18 per cent for food and drink in restaurants, 12 per cent for amusements, 11 per cent for clothing and footwear and eight per cent for gasoline.

Florida's famed beaches were even better than expected, in the view of some tourists. Where 55 per cent said they looked forward to the beach, 71 per cent reported they had enjoyed them. Other features ranked high among recreational activities enjoyed by tourists were the atmosphere of fun and relaxation, 46 per cent; natural scenery, 40 per cent; commercial attractions, 34 per cent and fishing, 29 per cent.

Fifty-six per cent of all tourists in Florida said they expected to stop at motels, while 19 per cent reported they planned to stay with friends or relatives. Eight per cent said they would live in hotels, while six per cent planned to rent houses or apartments.

Besides the tourists who gave specific cities as their destinations, 1,649,212 said they planned to stay

on the move and tour all or parts of the state.

Thirty-eight per cent of all departing visitors made favorable remarks about the state and did not make any suggestions for improvements. Of the remainder, 38 per cent suggested improvements in privately-maintained facilities, 20 per cent in state-maintained facilities and four per cent in hospitalities. The 38 per cent who appeared completely satisfied was a slight increase over the 35 per cent in this category in the preceding year's study.

By Any Other Name They'd Be As Sweet

TALLAHASSEE—The State Department of Conservation is planning a new name for Florida mullet as part of a campaign to put more of the fish on the nation's dinner tables.

Director Randolph Hodges has instigated a program to boost the use of fish based on the current interest in foods with polynaturated fats as a means of combating heart disease.

Research Director Robert Ingle has suggested the name "Lisa," which is Spanish for mullet. He says a change of name might help sales among Spanish-speaking people.

The State Department of Correction will can some mullet at the Belle Glade prison canning factory. The fish will then be provided to all state institutions. Later, it is hoped commercial canners will place it on sale in the open market. Ingle also announced the State Purchasing Commission was interested in a new process to freeze breaded, cooked mullet for home use.

Florida produces about 40,000 pounds of the fish each year with Lee County the state's largest producer.

Make Preparations For Release From Duty

1st LT. WILLIAM R. HATTON

FORT LEE, VA.—1st Lt. William R. Hatton, son of Mr. and Mrs. Joseph L. Hatton, Sr., Bacom Point Road, Pahokee, assumed Command of the 149th Quartermaster Company (Petroleum Depot) on July 6, 1962. The Unit is currently stationed at Fort Lee, Virginia, home of the Quartermaster Training Command.

The 149th is a National Guard Company from West Palm Beach, Florida, with its two Pipeline Platoons located in Belle Glade, Fla. The Unit received official notification that it will be released from Active Duty on August 12, 1962.

1st Lt. Hatton is presently engaged in the difficult task of preparing the Company for its departure from Fort Lee, on August 6, 1962, and its return to home station in West Palm Beach, Florida. Administrative personnel within the Unit, and at Battalion Headquarters are working tirelessly under the direction and guidance of 1st Lt. Hatton. He has the responsibility of seeing that all phases of

preparation are achieved effectively and according to schedule.

All procedures, which are required by Army regulations pertaining to the release of Military personnel, are being skillfully completed by the new Commanding Officer. Other areas of concern to him at this time, are the Supply and Motor Pool sections, which must be ready for departure.

He is a graduate of Pahokee High School, Pahokee, and graduated from Florida Southern College with a B. S. Degree in 1958. While at College, he was an active member of the Pi Kappa Alpha Fraternity.

Prior to a Call to Active Duty, 1st Lt. Hatton was associated with Hatton Brothers, Inc., of Pahokee. His residence at that time was 2316 Bacom Point Road, in Pahokee.

He and his Wife Laura, and two sons, William age 3, and Robert age 5 months, are presently residing 204A Battery Place, Colonial Heights, Virginia.

Miss Johnson Is Honored At Luncheon

Mrs. E. L. Pope entertained with a bridesmaid luncheon, Saturday noon, at her home, 2497 Bacom Point Road, honoring Miss Susan G. Johnson, whose marriage to Thomas Jackson Morrison, Jr. was consummated that evening.

The dining table, laid with an imported cloth of linen exquisitely embroidered in cutwork design, was centered with an arrangement of yellow roses, pink carnations and baby's breath in an antique silver vase. Heirloom Havell china, handpainted in gold was used for the luncheon. The menu featured breast of chicken, melon balls macedoine with sprigs of mint, farci potatoes, green beans, Julienne with almonds, tiny hot rolls, sherbert bombe and petits fours.

A silver compote in her chosen pattern was presented by the hostess to Miss Johnson, who in turn presented silver charm bracelets, engraved with the date of the wedding to each of her attendants. The honoree, her mother, Mrs. C. G. Johnson, and Mrs. T. J. Morrison, Sr., mother of the groom, wore rosebud corsages also gifts of the hostess.

Other guests attending were Mrs. L. W. Armstrong, Mrs. Lewis Pope, Jr., Mrs. Jack Phillips, Miss Alyce Joyce Spencer, Miss Helen Forrest and Mrs. Richard A. Barnett.

MRS. THOMAS JACKSON MORRISON, JR.

Miss Susan Griscom Johnson Weds T. J. Morrison, Jr. In Church Ceremony

Miss Susan Griscom Johnson, daughter of Mrs. C. Griscom Johnson and the late Mr. Johnson, became the bride of Thomas Jackson Morrison, Jr., son of Mr. and Mrs. Thomas Jackson Morrison, Sr., of Pensacola, in a candlelight ceremony, Saturday, July 28, at 7:30 p. m., in the First Methodist Church at Pahokee. Rev. Robert A. Shelley, pastor of the Canal Point Methodist, read the nuptial vows before an altar lighted by tall, white tapers in cathedral candelabra and decorated with baskets of white gladioli and chrysanthemums against a background of palms.

The traditional wedding marches were played by Mrs. S. M. Pitts, Jr., organist, who accompanied Jack A. Phillips, vocalist, of Fairfax, S. C., uncle of the bride, as he sang "Oh Promise Me" and "Whither Thou Goest." The bride, given in marriage by her brother, Alvin Richard Johnson, was lovely in a floor-length gown of pure silk organza over net, with full skirt ending in a chapel train. The fitted bodice of Chantilly lace featured a sweetheart neckline and short sleeves. A bow accented the waist. Her bouffant ballerina length veil of English silk illusion was attached to a headpiece of Alencon lace trimmed with pearls and a hand-made cabbage rose of silk organza. She carried a crescent bouquet of white sweetheart roses and sprigs of ivy, sprinkled with satin sequin leaves and centered with three white phalaenopsis orchids.

Miss Alyce Joyce Spencer, maid of honor, wore a sheath of shell pink silk organza over taffeta with bouffant overskirt and matching accessories. Her headpiece was a pill-box of organza with a brief veil and she carried a colonial bouquet of pink sweetheart roses, pink carnations and sequin leaves. Mrs. R. A. Barnett, Sanford, was bridesmatron and Miss Helen Forrest of Naples was bridesmaid. They wore gowns identical to that worn by the maid of honor. Their colonial bouquets were of a lighter shade of pink.

The best man was Robert Charles Reynolds of Auburn, Ala., and the ushers were Richard A. Barnett of Sanford, and John Edwin Holsberry, Jr., of Pensacola. The reception was held at the

home of the bride's maternal grandparents, Dr. and Mrs. L. W. Armstrong on Bacom Point Road, with Mrs. Jack Phillips, aunt of the bride; Mrs. Earl Pitts, Miss Gail Johnson, Miss Katharine Spencer and Miss Anita Cowart assisting the hosts. Mrs. Edwin DeLeon had charge of the bride's book.

The bride's table was laid with a linen cloth imported from Rome and heavily embroidered in an intricate design using 29 different stitches. An arrangement of pink carnations, white stephanotis and pink baby's breath centered the table, flanked by white tapers in three-tiered silver candelabra. The punch bowl was of crystal.

For traveling Mrs. Morrison wore a suit of seafarm green with beige accessories and her corsage was the orchids from her bouquet. Following their honeymoon to an undisclosed destination, the couple will make their home in Atlanta, where the groom will be associated with the Atlanta Public Library and the bride will be teaching in the Atlanta Public Schools.

Among the out-of-town guests attending the wedding were Mr. and Mrs. A. S. Jackson of Montgomery, Ala., the groom's uncle and aunt, Mrs. R. W. Bowers, Orlando, the bride's great aunt; Mrs. Letitia Blandon, the bride's aunt of Palm Beach; Edward Johnson of West Palm Beach, the bride's cousin; Mr. and Mrs. Ed Kirchhoff of Sanford; Miss Dede, Sharon, Sanford; Miss Sarah Tervin, Tampa; Miss Patricia Lamb, St. Augustine; and Miss Elizabeth Howling of West Palm Beach.
